1.0 PURPOSE

Local regulations may require placards be presented in a language other than English. This document presents acceptable placard translations for all placards used in Helifab's 212/412 cabin area cargo net installation (STC SR09485RC). Helifab, Inc. will supply the necessary placards in the required language where local regulations require.

2.0 ACCEPTABLE TRANSLATIONS

Placard material, location, text size, and font type to be identical to English translation of placard.

2.1 Portuguese

Figures 1 through 3 show the acceptable Portuguese translation of all placards.
