Helifab, Inc. 1318 Smede Hwy. Broussard, Louisiana 70518. U.S.A.

Attn:

Mr. Mark S. Evans

Subject:

Issue of Canadian Supplemental Type Certificate (STC) SH18-28 Issue 1 - Installation of

Floor Protectors IAW FAA STC SR09870AC.

This STC is issued in response to the application received on May 29, 2018 and based on the subject FAA STC.

Please be advised that the transfer of STC SH18-28 in the name of another person requires prior approval from the Minister in accordance with Canadian Aviation Regulations (CAR) section 521.357.

In accordance with the Bilateral Airworthiness Agreement (BAA), it is requested that any defect, malfunction or failure associated with this Transport Canada Civil Aviation (TCCA) approval, which may affect the airworthiness of the modified aeronautical product, be communicated to Transport Canada.

Best regards,

Loy Y. Liew, P.Eng

Regional Aircraft Certification Engineer Prairie & Northern Region – Calgary

H-92

Description of Type Design Change:

Installation of Floor Protectors

Installation/Operating Data,

Required Equipment and Limitations:

Installation of floor protectors in accordance with Helifab Master Drawing List HF-MDL-7-3, Revision A, dated June 30, 2017, or later FAA approved revision.

Instructions for Continued Airworthiness, Helifab Report No. HF-CA-7-3, Revision A, dated April 13, 2017, or later FAA accepted revision is required for the installation.

Definition of the Type Design Change: FAA approved Helifab Master Drawing List HF-MDL-7-3, Revision A, dated June 30, 2017, or later FAA approved revision.

Basis of Certification for Affected Areas: As per Bell 407, FAA TCDS H2SW Revision 48.

- End -

Conditions: This approval is only applicable to the type/model of aeronautical product specified therein. Prior to incorporating this modification, the installer shall establish that the interrelationship between this change and any other modification(s) incorporated **will not** adversely affect the airworthiness of the modified product.

Loy Y. Liew For Minister of Transport

DESIGN APPROVAL DOCUMENT TRANSFER

Transfer of this design approval document requires the prior approval of the Minister and the reissue of this document in the name of the transferee.

The reissue of this design approval document in the name of the transferee will be contingent on the holder and the transferee fulfilling their responsibilities as described in section 521.357 of the Canadian Aviation Regulations.

TRANSFERT DU DOCUMENT D'APPROBATION DE LA CONCEPTION

L'approbation préalable du ministre est exigée en vue d'un transfert de ce document d'approbation de la conception et la réédition de ce document au nom du cessionnaire.

La réédition de ce document d'approbation de la conception au nom du cessionnaire est conditionnelle à la satisfaction des exigences et des responsabilités, du titulaire et du cessionnaire, décrites dans l'article 521.357 du Règlement de l'aviation canadien.

I have reviewed the above requirements and recognize that until the above requirements are met the certificate and all its privileges and obligations will not be transferred.

J'ai examiné les conditions susmentionnées et je comprends que le transfert du certificat et des privilèges et des obligations s'y rattachant ne sera pas effectué tant que ces conditions n'auront pas été respectées.

Signature of holder/signature du titulaire date/date
